Financial Accountant is the official magazine of the Institute of Financial Accountants (IFA)

Established in 1916, the Institute of Financial Accountants (IFA) is an internationally recognised professional accountancy membership body. Members work within micro and small- to medium-sized enterprises or accounting practices advising micro and SME clients. In fact, their members work with over 750,000 micro and smaller business entities across the SME sector!

With more than 4,300 members and a total digital audience of 13,489* – no other platform comes close to matching the reach of *Financial Accountant* among accountancy professionals. It provides a range of articles and news on accountancy, tax, business and practice management and IT.

Our valuable audience is made up of highly qualified individuals and purchasing decision makers working in senior roles across a wide range of organisations. Advertising with *Financial Accountant* will help you to build your brand profile and drive traffic to your own site, putting you in front of professionals who carry genuine influence and spending power.

CONTENT HOSTING

Get your content, whether it's a white paper or video, the exposure it deserves.

Our online resources are designed to host your existing or latest research, reports and any other content types to ensure that they reach the widest, most relevant audience possible. We're equipped to host content in any format, including:

- White papers, reports, e-books
- Podcast, presentation, video
- Surveys, infographics

Your content can be open access to reach the widest possible audience or locked for data capture, enabling you to generate valuable qualified new business leads, and effective ROI.

All reports are hosted on their own dedicated, co-branded web page within our easily searchable resources.

To maximise exposure, we will promote all of your content via our e-newsletter and from our website homepage – financialaccountant.co.uk
